PECMET SES

The yearbook staff decided to summarize the school's occurrences, not by staging pointless group shots but by recording candid meaningful photographs to produce the feeling throughout the year as nine months out of our lives instead of 160 dead pages.—Editor

WRESTLING

The wrestlers displayed a winning spirit suffering only one serback throughout the entire season. In tournament action, our grapplers faired equally well as indicated by their strong third place finish in the City League Championships. Several returning lettermen and an undefeated Junior Varsity assure their continued success

ACTIVITIES

The idle man does not know what it is to enjoy rest. Hard work, morever, not only tends to give us rest for the body, but, what is even more important, peace to the mind.

- Sir John Lubbock

TITAN BAND

The St. John's marching bard not rly made flas y appearances in the football text but also er arced the atmespace at SJ by paying at such eye is as the Open House and the Cristmes Fes ya

CHESS CLUB

The St. John's outstanding team of concentrating chessmen collected an overwhelming amount of victories. The checked-board boys repeated in establishing themselves as formidable opponents this year, lead by the trio of experienced seniors; Jerome Glinka, Tom McMahon, and Dave Pierce

SCIENCE CLUB

Due to the possibility that several scholars' leve for by legy chemistry, or produce may not be satisfied in the cassion might be satisfied in the cassion might be to adjust their knowledge. Vir us members tive displayed their treat in Schole First and school exhibitions.

RADIO CLUB

Receiving waves from the outside world, the radio club intercepts and releases information and messages. Brother Sebian, the moderator, instructs his followers on how to communicate with the other hams

Bowling

There exists several members of the student body who would rather not clash on a football field but prefer striking in an alley. For them the leisure of bowling satisfies their personal demand for entertainment Enthusiastically coached by Father Maline the boys were shown the correct technique and fared well in the competition offered in the American and National Bowling Leagues

Latin League

The Latin League was organized this year for those students who were studying this classical archage. Directed by Mr. Gillespie they derived into the works and lives of such greats as Ceasar and Cicero and thus received a greater appreciation of the father of modern languages.

VOLUNTEERS

The Saint John's Volunteers again rendered their services to Toledo and nearby communities. Through their efforts of tutoring and guiding the less educated and less fortunate they brought honor to themselves and to their school,

POSTER CLUB

Mr Brady parted pastorn in the poster clab this year. Decent is the surporating wide of St. John's Mr. Bridy and his life helpers contabated to the stadent body spirit.

CAMPION HALL

The Little Theatre resounded with laughter as Campion Hall presented My 3 Angels in November. In March, the thesbians, to everyone's amazement, brought to life Richard II Mr Edwards and Mr. Bolger, co-directors and producers, contributed their skill and intestinal fortitude to making the productions a success

TECHNICAL CREW

The Technical Crew for Campion Hall was a big part in its plays' successes. Aided this year by a new dimmer system the crew was able to cope with many difficult scenes requiring special lighting effects. The crew consisted of men from all classes and assures Campion Hall of many superb stages in the future

FORENSICS

Although getting off to a slow start early in the season, both the Debators and the Individual Events men had come close to victory several times, barely edged out in the semi-finals. Our debators swept to a Class "C" victory at the Roger's invitational and Mike Kulwicki and Ed Gray both made the semi-finals at the District Tournament held at Bowling Green State University Even though they fared just about average, the experience they gained will make them formidable contenders next year.

HOMECOMING

For the first time in the history of St. John's, the student body witnessed the Homecoming debut During the Homecoming Dance the Queen, Randi O'Reilly, was chosen among the five candidates selected by the senior class. The highlight of the event occurred during the Homecoming Game when the girls were escorted onto the field and the Queen was crowned.

STUDENT COUNCIL

Through the leadership of its officers the Student Council has brought about many changes in our administrative and social policies. They initiated many traditions that will be carried out through the years. The Homecoming Weekend, Christmas Dance, the Rally Committee and the Open Forums are good examples of what leadership, unity, hard work and sacrifice can accomplish

Fiberglas cord is making tracks.

These tough glass fibers from Owens Corning add safety and performance to tires on most 1970 Detroit cars. They form the tabric that protects Apollo space suits from temperature and fire

And Fiberglas' reinforcements put strength and durability into a majority of pleasure boat hulls built today. In fact, it's estimated there are more than 33 000 ways. Fiberglas materials can profitably replace metals, wood or cloth, They're already in many of these uses right naw, moving last into others.

Your career could make tracks at Owens Corning too. There are hundreds of opportunities. For information, write us Owens-Corning Fiberglas Corporal on Fiberglas Tower, Toledo, Ohio 43601
